

LEEDS NIGHTLINE

who are we?

- a listening service run by and for students across all universities within Leeds
- concentrated on the values of being confidential, anonymous, non-directive and non-judgemental
- available to chat about anything overnight !

how do we work?

- currently open from 8pm-2am all night, every night
- as we are protecting our volunteers by abiding social distancing rules, we are functioning primarily through our instant messaging service
